

Rebuilding Together Thurston County Celebrates 20 Years

Thanks to our many sponsors, volunteers, business partners, and donors, RTTC is celebrating 20 years of improving the health and safety of our community. Since our founding in 2003 we have repaired more than 350 homes and changed for the better over 575 people's lives. Join us on **October 19th**, from **5-7 PM** at the **Uptown Grill** in Olympia for our anniversary celebration. The celebration will include a silent auction and presentation on the impact RTTC has had in the community. Thank you to **PUGET SOUND ENERGY, Cullen Palmer Law Office PLLC, Bulldog Accounting, and Andi Rhodes Springer/Olympic Sotheby Realty** for sponsoring this special evening.

Rebuilding Day Report

Rebuilding Day is the annual culmination of activities at RTTC. On May 6th, 2023, RTTC leveraged volunteers, donors, and supporters to make significant repairs to the homes of seven homeowners in need. This year's homeowners included those with disabilities, veterans, and seniors. We improved neighborhoods and helped homeowners to age-in-place with dignity. Your generosity made this possible. **THANK YOU!**
